

GUARDIAN ANNOUNCES OFFICER APPOINTMENT

TSX VENTURE EXCHANGE: GX

FOR IMMEDIATE RELEASE

CALGARY, ALBERTA – April 3, 2008 - Guardian Exploration Inc. (“Guardian” or the “Corporation”) (TSX Venture: GX) is pleased to announce the appointment of Gerry O'Reilly as Vice President Exploration, and Harvey Harrold as Production Manager.

Mr. O'Reilly has over 26 years experience developing oil and gas prospects, land sales and property acquisitions in western Canada including the discovery of a number of gas and oil pools. He has demonstrated expertise in building and operating successful exploration companies, and is skilled in managing exploration, acquisition, development and operational budgets. Mr. O'Reilly completed a Master of Science in 1981 at Imperial College, and a Bachelor of Science, Honours in 1977 at the University of London, London, England.

Mr. Harrold has over 15 years experience in the oil and gas industry, specifically with respect to daily operations of both high and low pressure gas wells and facilities, and maintenance of gas compressors.

Graydon Kowal, President and CEO, commented that “we are pleased that these two highly experienced individuals are joining our team to assist in accelerating the anticipated growth of Guardian.”

In conjunction with Mr. O'Reilly's appointment, the Corporation granted him 300,000 stock options. The options, which are convertible into common shares of the Corporation, will have an exercise price of \$0.285 and a five year term to expiry.

Guardian is a Calgary-based corporation engaged in the acquisition, exploration and development of resource properties. Common shares of the company trade on the TSX Venture Exchange under the trading symbol “GX”.
